SPEAKER MARVEL: Before we proceed with the agenda, underneath the south balcony from Senator Vickers' District three seniors from Farnum High School. Will you stand up and come out so we can say, hello. Okay. While we are awaiting the group for Final Reading I think it would be helpful if we could take up some Select File and if you will turn to the back of your agenda sheet, the bills that we will process are those that may have E & R amendments but no substantive amendments. So if you will try to follow the green sheet on the back. And the first bill, Senator Wesely, is LB 660.

SENATOR WESELY: I move the E & R amendments, Mr. Speaker.

SPEAKER MARVEL: All in favor of adopting the E & R amendments to LB 660 say aye. Opposed no. The motion carried. The E & R amendments are adopted.
